### **Policy and Rules:**

All guests must be 21 years old or older for ALL bar events. We have designated an area for your group in the bar. We need you to stay in that table area. We need the other tables for other guests.

For dinner parties all guests under the age of 21 are welcome for the dinner, but they must leave after the dinner or by 9pm, which ever comes first. Wisconsin State Statutes prohibits persons under the age of 21 in the bar without their legal guardian. TCF prohibits all minors from drinking alcoholic beverages, even with legal guardian.

No Confetti of any kind or size is allowed.

No food is allowed to leave TCF.

No food is allowed to be brought into TCF except deserts/cakes from a licensed bakery. Wisconsin Administration Code states: customer may not bring food from unlicensed facilities to restaurant/bar.

Any damage to bar area that was caused by the guests of the event will be the responsibility of the person in charge of the event.

No beverages may be brought into TCF facility by patrons and/or their attendees.

### **Deposits and Fees:**

A \$50 deposit is required for all functions. Deposits will be subtracted from total bill upon payment. Deposits may be larger for larger functions. All parties subject to Wisconsin state tax (5%) and gratuity (18%). Cancellation of scheduled functions within 2 weeks of the date will result in loss of deposit paid. Any party requiring the usage of the volleyball courts may be subject to a set-up fee.
